

“Please remember you are making comments in a public meeting. Should you make comments that are considered defamatory in nature, you, as an individual, may be subject to legal action brought by the subject of your comments. Board members will listen to all comments but will not respond to them, nor will the Board take action on items not posted on the agenda. If the Board feels that something commented on requires a response, they will refer it to the District Administration to respond at a later date.”
