MEET THE SCHOOL BOARD CANDIDATES

Stephanie Lehs

I am honored to announce my candidacy for an At-Large position on the West Central School Board.

As a parent in the West Central School district, community member, and advocate for our schools, my top priority is simple: protecting and supporting our children. Every decision made by the school board affects the safety, education, and well-being of the students.

I am running because I care deeply about ensuring that every child in our district has the opportunity to learn in a safe, supportive environment. I want to work alongside parents, teachers, and community members to strengthen trust, encourage open communication, and make thoughtful choices that put our students first.

While there are many challenges facing education today and in the years to come, I believe that by listening to our community, respecting different perspectives, and focusing on what truly matters—our kids—we can create positive solutions together

I believe in making thoughtful, responsible decisions with district funds, always keeping the focus on supporting students' learning, growth, and well-being. Every choice should ensure resources are used wisely to benefit students so that everyone can benefit from the high quality education that West Central has to offer.

I would be grateful for your support as I take this step to serve our district. Together, we can build a strong future for our children.

With gratitude,
Stephanie Lehs
