

# 10 Reasons To Get Involved In The WC Booster Club

## #1 Your child benefits.

What parent doesn't want a great school experience for their kids. When parents get connected to the school, children do better. With the help of parents pitching in and tackling some tasks that may at times be an undertaking of a teacher, coach or an administrator allows these folks to dedicate their time and energy to ensure that our students experience the most out of the opportunities that are provided. Volunteering will strengthen your network personally and professionally. The true results of giving back impacts every one of our students and makes West Central Community School unique and a special place to raise our kids.

## #2 We make a difference.

We help create learning opportunities, support integrity, sportsmanship, and character thru extracurricular activity programs. We try to build the kind of supportive, caring atmosphere that makes school fun. We are able to support our students through booster club membership, generous donations from parents, alumni, grandparents, business's and friends of West Central.

## #3 We pledge to honor your time constraints.

People are often reluctant to participate because they're afraid they'll get pulled into a black hole of never-ending time commitments. That won't happen here. An hour or two a week really makes a difference. We won't push you to commit more than you want to or are able to.

## #4 Meet awesome people who share in the passion of providing opportunities for our WC kids.

We all have a common bond. We care about creating the best possible experience for our children. We are neighbors and peers who share many of the same experiences. Many friendships have developed as a result of those connections.

## #5 There's a lot to be done.

These days, schools are asked to do more with less. Our help is needed more than ever to fill the gaps. In these times of tight budgets, parent groups everywhere are having to fill in the gaps. Our number one goal is to get more parents connected to the school.

## #6 We can match jobs to your interests and abilities.

The work we do covers a broad spectrum of planning and executing events. We encourage creative ideas, and we're thrilled to have people take on tasks that meet their skills and interests.

## #7 We have fun.

The number one reason to volunteer is because it's **FUN!** Most everyone involved with the Booster Club is in it for the right reasons, and it shows. There are lots of rewards, both big and small, for those who get involved. It is so rewarding to see the students have a blast, and the positive energy that radiates during different events. The experiences shared by everyone involved makes unforgettable memories for years to come.

## #8 We're welcoming.

To us, there are no "outsiders." We are people who have come together to work toward common goals. We come together to support the kids, support the school, meet great people, and take our school and community to the next level.

## #9 Believe We Can Achieve Great Things and We Will

The Booster Club wants to achieve superior results for our kids, school and community, we must start by thinking big and believing that we truly can achieve what we've envisioned. We are ready to get to work, looking for new and improved ways of doing things, adding new people to our tribe which in turn, will result in fulfilling our vision and potential.

**Teamwork divides the task and multiples the success!!**

## #10 Your Support is Essential

The WCBC is a volunteer not-for-profit organization of parents, alumni, staff and other supporters that has a proud tradition of providing financial assistance for student activities through our membership drives and fundraising efforts. **We want to do more!** But we can't do it without your help! By becoming a member of the Booster Club, your contribution goes right back to the students in the form of uniforms, equipment, supplies, instruments, whatever is needed to outfit a team! This year, we hope to raise urgently needed funds by increasing our membership enrollment to 25% of WC families. If membership is not an option at this time, please consider volunteering some of your time to help us with any of our fundraising events. Whatever your contribution might be, please help support our WC students by becoming part of this long-standing tradition!
