

# West Central Booster Club Membership Form

The West Central Booster Club is an organization of parents, administration, and community members who volunteer and are committed to helping West Central School maintain a competitive edge in its extracurricular activity programs. The Booster Club exists to support and enrich school experiences for our children through various fundraising efforts which financially support a wide variety of academic and extracurricular programs and services that directly impact all students. In addition, the WCBC awards scholarships to graduating seniors each year who personify the Booster Club mission to strengthen the West Central High School community.
