

Hello West Central family!

My name is Alexis Whealy and I am honored to be able to serve as your PK-5 Principal at West Central. I feel very fortunate to work at a district where the staff and community are dedicated to doing what's best for students in all areas of their lives.

Before becoming a principal here, I worked with K-12 students in various roles. For most of my career, I have served as a K-4 music teacher while also providing adaptive music classes and various leadership positions. Most recently, I have served as a 7-12 Student Success Coordinator. I am greatly looking forward to using my experiences to serve West Central.

In my personal life, I am happily married to my husband Daniel. We keep busy with our small acreage with our horse, chickens, and two cats. I also have three younger brothers, two of whom are students at the University of Northern Iowa. My other brother has also blessed me with the role of being an aunt to my niece and nephew, Anna (1) and Joseph (4).

I want you all to know that my passion outside of my family is education. Learning is an important life-long process and being able to work and serve in this field is a privilege. Our students are truly our future, which is why they are the center of every decision I make and the work that I do. I strongly believe that relationships between the school and parents play a vital role in the success of our students. Due to this, you are welcome to visit anytime and I encourage you to be involved. I look forward to meeting you all very soon and having a great school year!

Sincerely,

Mrs. Alexis Whealy
