

WEST CENTRAL FOUNDATION TRUST

**WANTED: PARTNERS TO JOIN US
IN CONTINUING WC EXCELLENCE**

What is the West Central Foundation Trust?

The West Central Foundation Trust is established to provide financial support to the West Central Community Schools in the pursuit of needed educational opportunities for the children of this district. Current federal and state funding and spending laws and the condition of the state's economy limit the programs presently offered by the school district. Access to funds to maintain and upgrade school facilities and equipment is also limited.

We are seeking individuals and groups who will become partners in our efforts to build for the future. Anyone can become a philanthropist: **NO GIFT is too small to make a difference. We need your help to preserve the unique characteristics of a small school.**

***Please consider contributing
to The Foundation.***

HOW YOUR GIFTS HELP:

Your contributions have helped in purchasing textbooks, supplies, and other instructional items for the classroom. In addition, your partnership made it possible to purchase and install new bleachers in our gymnasium. We will continue to plan future events to promote the West Central Foundation Trust, which will greatly benefit the school district and students during these times of declining enrollment and tight budgets. West Central continues to look at improving educational and activity opportunities for our present students. Again, your contributions have been used to purchase new textbooks, new maps for social studies, Accelerated Reader library books, technology upgrades, and new seating in our gymnasium.

The West Central Foundation Trust Advisory Committee-Dayna Baker, Stephanie Welsh, Jerry Jellings, Karla Grennan, Pat Albrecht, Tricia Wells, Valerie Buehler, Justin Cole, Scott Albrecht, Ray Tellin, Darin Lockard, and Angie Squires, would like to thank you for your continued support and dedication to education and the students of West Central.
