

Blue Devil News

Welcome Back

Summertime always goes by so quickly. I hope your families enjoyed making memories together and spending time with friends. Our administrators, teachers, custodians, secretaries, and food service personnel have been hard at work preparing for your children's safe return. We are so excited to see and greet all of our students last week—it's going to be a great year!

A Note from Mrs. Parmely:

What a great first week of school! It has been wonderful getting to know our students, learning their names, seeing their personalities shine, and watching them settle into the school year. During these first few weeks, we are focusing on building strong routines, creating a positive school culture, and setting high expectations for learning and behavior. These routines and expectations will provide a strong foundation as we work together toward a year filled with growth, learning, and success. We are excited about all that this school year has in store!

We had the best first week back at school. Mrs. Parmely enjoyed getting to know the students, and reading a story to each class. She is looking forward to learning and growing with your student throughout the year.

From the desk of Mr Molumby:

The school year is off to a great start at West Central! It has been wonderful to see our students and staff settling into their routines, building positive relationships, and creating a strong sense of community throughout our middle school and high school. As we move forward, we will continue to focus on academic rigor and encouraging our students to challenge themselves while providing the support they need to succeed. Strong routines, high expectations, and positive relationships are all important pieces of making West Central a place where every student can grow and thrive. We also have an exciting community celebration just around the corner as Homecoming will take place the week of Sept. 13th-19th! Homecoming is always a wonderful opportunity to celebrate our school, show our Blue Pride, and come together as one West Central community!

The West Central Booster Club and community members purchased activity tickets for students so they could attend athletic events free of charge. Thank you!

Blue Devil Fans

We are looking forward to excellent extra-curricular events at West Central.

We share the responsibility for appropriate behavior at the activities. For the safety of all spectators and the support of the participants, West Central has the following expectations.

1. Be respectful and quiet during the national anthem. Hold your right hand over your heart.
2. Watch the game.
3. Visit with your friends.
4. Demonstrate good sportsmanship, be respectful and courteous to others; Support the teams, cheer, and clap.
5. Be a positive credit to your family, school, and community.
6. Leave your seat only between quarters, at halftime, and between games.

We appreciate your help in implementing these expectations and rules to ensure student safety while giving our fans the opportunity to fully enjoy the game.

Upcoming Dates

- September 7th - No School
- September 8th-11th - Fall STAR Testing
